

FEDERAL GRANT CAPABILITIES

Capital Edge combines our team's experience in consulting, public accounting, industry, and government to provide you with unmatched Federal Grants Compliance expertise. Our consultants provide government contractors and nonprofit organizations with a wide variety of services focused on overcoming their most difficult compliance challenges. We are committed to helping organizations overcome these challenges, so that they can focus on what is most important, which is the successful implementation of their Federal award. We can provide value to your organization throughout the grant lifecycle in the following ways:

Pre-Award

- Market Entry Strategy Development
- New Project Feasibility Analysis
- Cost Allocation Structure Design
- Application Budget Development
- Budget Narrative Development
- Pre-Award Compliance & Capability Assessment

Award

- Agreement Negotiations
- Business Systems Design
- Change Management
- Temporary Staff Augmentation
- Indirect Cost Rate Proposal Development

Post-Award

- Indirect Rate Structure Assessment
- Periodic Compliance Monitoring Support
- Annual Compliance Training
- Audit Support & Risk Assessment
- Audit Findings Remediation
- Outsourced Compliance Department
- Policy & Procedure Development
- Internal Controls Assessment
- Forensic Accounting & Investigations
- Outsourced Cost Reporting
- Grants Closeout Support

EXPERIENCE

Our consultants possess specialized and extensive knowledge in the following regulations:

- **2 CFR 200**
(Adopted by Most Federal Awarding Agencies)
- **45 CFR 75**
(HHS Awards)
- **32 CFR 34**
(DoD Awards)
